Start at 501 (or 301) and take away each turn's three darts. **Finish** on exactly 0 with a double or the bullseye. **Bust** (below 0, down to 1, or 0 without a double): the turn does not count. **301:** many players also start with a double.

	Total points			

Close 20 to 15 and the bull with 3 marks each: single 1, double 2, triple 3; outer bull 1, bullseye 2. Write / for one mark, X for two, and circle the X for three. **Points:** once you close a number, more hits score its value while your opponent still has it open. **Win:** close everything with at least as many points.
